The Ultimate Shortcut to Everest

Traditional Trek

10-14 days of challenging hiking through mountain terrain. Requires excellent fitness and significant time commitment.

Helicopter Tour

Just 4-5 hours to reach the same breathtaking views. Comfortable, safe, and accessible to travelers of all ages and fitness levels.

Skip the weeks of trekking and reach Everest's majesty in a single morning. This scenic flight takes you from Kathmandu directly to the world's most famous mountain.

Best Times for Crystal Clear Views

Spring (March-May)

Peak season with warm days, blooming rhododendrons, and crystal-clear mountain views. Perfect weather conditions for photography.

Autumn (September-November)

Stable weather with excellent visibility and comfortable temperatures. Another prime time for helicopter tours.

Winter (December-February)

Cold but incredibly clear skies with fewer crowds. Ideal for travelers seeking a more intimate mountain experience.

Summer months (June-August) are not recommended due to monsoon rains and poor visibility.
